Who are we...

We are a cooperative that is governed by a five member Board of Directors elected by the members of the community.

This resident owned community was created to improve the quality of life and create a stable environment for the resident members.

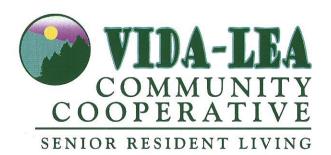

Each member has a vested interest and a say in how the park will be run and maintained.

Each household must become a member of the Co-op, pay a one time membership joining fee of \$100.00 and pay a monthly space rent for the lease to the lot they live on.

There are 20 Manufactured home sites, 13 RV sites, 2 full bathrooms and a laundry area with 2 washers and 2 dryers.
